

Cy's Shuffle

R. Lawson 5/23/03 r 12/2/05

Dedicated to Cy Taggart

G E7 A7 D7
if you're hearing a bluegrass mandolin
G E7 A7 D7
or slide guitar that fits the funk you're in
G G7 C C#dim
if country twang or jazzy triads make you sigh
G D7 G D7
you may be shuffling with Cy

G E7 A7 D7
he'll pick the blues just like Muddy's in the room
G E7 A7 D7
rock on a lead and Jimmy's rollin' in his tomb
G C C C#dim
arrange the choir and the strings to make you cry
G D7 G G7
oh, you're shuffling with Cy

C Cm G D7 G7
Cy can blow a reed as hot as sparklers in July
C C#dim D7 D0 D7
his brassy notes soar out just like Gabriel on high

G E7 A7 D7
Tickling the ivories he can make you smile
G E7 A7 D7
Your pulse may race if he's on the skins awhile
G G7 C C#dim
So many sounds, so many songs, and just one guy
G D7 G D7
now you're shuffling with Cy

(verse instrumental)

C Cm G D7 G
He hides out under a big Fedora hat and brim
C C#dim D7 D0 D7
But when the joint starts jumpin', well, you know it's him

G E7 A7 D7
So don't you fret about the musical elite
E7 A7 D7
Don't call the doctor when you skip a beat

G G7 C C#dim
 Just snap your fingers and let your worries slide
 G D7 G
 And you'll be shuffling with Cy

 his brassy notes soar out just like Gabriel on high
