got to give her up to get her back
G D C D

Am D
"Something's on my mind tonight," she said.

Am D
"I've got to know what future lies ahead,

Am D G D C
I can't keep going on without a clue.

Am D
I'm feeling down a lot, you're not to blame,

Am D
something in our love's just not the same.

Am D G D C
I want to live my life, just not with you."

Chorus

C D
My baby told me
G D C D
got to give her up to get her back
G D C D
got to give her up to get her back
G D C D G
got to give her up to get her back

Am D
Well, I don't want to harm her any more.

Am D
I'll just plan on walking out the door.

Am D G D C
Got to give her time to think it out.

Am D
Something has to change inside of me.

Am D
I am not the man I want to be.

Am D G D C
Got to leave and find what life's about.

Chorus

C D
My baby told me

G D C D
 got to give her up to get her back
 G D C D
 got to give her up to get her back
 G D C D G
 got to give her up to get her back

Am D
 So, I'm leaving town for points out west.
 Am D
 Hate to leave and have to take this test.
 Am D G D C
 Stand alone and hope our love will grow.
 Am D
 This is not an easy way to live,
 Am D
 but there's nothing else for me to give.
 Am D G D C
 She can't be asked to take abuse, I know.

 G D C D
 got to give her up to get her back
 G D C D
 got to give her up to get her back
 G D C D G
 got to give her up to get her back
