

Moving On

Russell Lawson - 8/21/2001

Fmaj9 *Em9* *Em7aug5* *Am7*
wasn't that many days ago you were reaching out your hand
Fmaj9 *Em9* *Em7aug5* *Am7*
grabbing tight to everything, holding on so you could stand
Fmaj9 *Em9* *Em7aug5* *Am7*
wasn't that many days ago you counted up to ten
Fmaj9 *Em9* *C*
and fuzzy bears were your best friends

Chorus

Am *F* *C*
and, oh, the time, it sure goes by
G *Am*
and you've become so tall and strong
F *C* *E7*
your eyes are clear and bright when saying your goodbyes
Am *F* *C* *G* *Em7aug5* *Am7* *C6/9* *G*
'cause you know now's the time for movin' on

Fmaj9 *Em9* *Em7aug5* *Am7*
you've never been the kind of girl who took well-traveled ways
Fmaj9 *Em9* *Em7aug5* *Am7*
you've always had your own style of getting through the days
Fmaj9 *Em9* *Em7aug5* *Am7*
there've been some rough ones, you know trust was hard to hold
Fmaj9 *Em9* *C*
but, never once did our love grow cold.

Chorus

Am *F* *C*
and, oh, the time, it sure goes by
G *Am*
and you've become so tall and strong
F *C* *E7*
your eyes are clear and bright when saying your goodbyes
Am *F* *C* *G* *Em7aug5* *Am7* *C6/9* *G*
'cause you know now's the time for movin' on

Fmaj9 *Em9* *Em7aug5* *Am7*
Now, the road you're on is taking you in directions that are new

Fmaj9 and you'll walk at your own pace down the avenues you choose
Fmaj9 *Em9* count on Love's protection for the ones you leave behind
Fmaj9 *Em9* *C* you're on your own, see what you find

Chorus

Am *F* *C*
 and, oh, the time, it sure goes by
G *Am*
 and you'll discover before long
F *C* *E7*
 there's nothing stopping you from following your dreams
Am *F* *C* *G* *Em7aug5* *C9* *Am7* *G*
 when you know now's the time for movin' on
Am *F* *C*
 and, oh, the time, it sure goes by
G *Am*
 and you've become so tall and strong
F *C* *E7*
 your eyes are clear and bright when saying your goodbyes
Am *F* *C* *G* *Em7aug5* *Am7* *C6/9* *G*
