

Rush (Acts 2:1-11)

Russell Lawson 7/1/2010

intro 4 bars: G-Bm7-Am7-C

when that sound came rushing in Jerusalem
tongues of fire danced on each of them
the disciples burned with Gospel flame
deeds of power they proclaimed

the people gathered there from every land
were so amazed that they could understand
Pentecost came on that very day
that God's Spirit came to stay

o, such a rush when you feel it in your bones
yeah, there's a rush when the power is your own
what a rush when the Spirit moves your soul
what a rush when you're touched forevermore

So Peter and the rest began to teach
the good news everywhere that they could reach
among the sick, the poor and the oppressed
they brought the Kingdom to the blessed

o, such a rush when you feel it in your bones
yeah, there's a rush when the power is your own
what a rush when the Spirit moves your soul
