
Swell

LRL - 1/30/2010

drop D tuning

D G D
If you would love me just a little
G D
my heart might never touch the ground
D G D
but you pour in me like a river
G D
so deep I feel I'm gonna drown
Bm A G D
on a tide of swift emotion
Bm A G D A
I'm swept away into your ocean

Chorus

G D
swell, swell
G D A
some love's an answer to your dreams
G D
swell, swell
Em A D
some leaves your heart burst at the seams

D G D
I saw you framed against the window
G D
and swore the sun was in my eyes
D G D
when you were standing right beside me
G D
and shone right through my thin disguise
Bm A G D
your soft kiss as I moved closer
Bm A G D A
consumed me like a supernova

Chorus

G D
swell, swell
G D A
some love's an answer to your dreams
G D
swell, swell
Em A D
some leaves your heart burst at the seams

Am7 Em7 D
 despite the best of your intentions
 Am7 Em7 Asus4
 your love's beyond my comprehension

D G D
 when I am tentative and frightened
 G D
 and it's hard to catch my breath
 D G D
 I'm brimming over with the feelings
 G D
 so full of love there's no room left
 Bm A G D
 the moment I'm held in your embrace
 Bm A G D A
 I want to escape to somewhere safe

Chorus

G D
 swell, swell
 G D A
 some love's an answer to your dreams
 G D
 swell, swell
 Em A D
 some leaves your heart burst at the seams
