

# Dear Santa

R. Lawson 12/16/2020

<sup>E</sup> So now it's time to celebrate the holidays <sup>B7</sup>  
and I find you're on my mind in lots of little ways <sup>A</sup> <sup>E</sup>  
and though we've been apart since way back when <sup>E</sup> <sup>E7</sup> <sup>A</sup> <sup>Am</sup>  
I just can't wait until you're back again <sup>E</sup> <sup>B7</sup> <sup>E</sup> <sup>B7</sup>

<sup>E</sup> Dear Santa, I missed your merry smile <sup>B7</sup>  
your jolly laugh, your ho-ho sense of style <sup>A</sup> <sup>E</sup>  
the flying sleigh, the bells and reindeer, too, <sup>E7</sup> <sup>A</sup> <sup>Am</sup>  
the magic way you do the things you do <sup>E</sup> <sup>B7</sup> <sup>E</sup> <sup>B7</sup>

<sup>E</sup> Dear Santa, the kids won't look the same <sup>B7</sup>  
they're much taller, their wonder's on the wane <sup>A</sup> <sup>E</sup>  
sugar plums no longer in their dreams <sup>E7</sup> <sup>A</sup> <sup>Am</sup>  
Xbox and iPhones are all they want, it seems <sup>E</sup> <sup>B7</sup> <sup>E</sup>

<sup>A</sup> holidays are right for making merry round the fire <sup>B</sup> <sup>E</sup> <sup>C#m</sup>  
<sup>A</sup> cookies, mistletoe and favorite hymns sung by a choir <sup>B</sup> <sup>C#m</sup>  
<sup>A</sup> even with the twinkling lights there's something you should know <sup>B</sup> <sup>E</sup> <sup>C#m</sup>  
it won't be real until I see dear Santa in the snow <sup>F#7</sup> <sup>B7</sup>

<sup>E</sup> Dear Santa, the gifts you left last time <sup>B7</sup>  
have been well used and now they're past their prime <sup>A</sup> <sup>E</sup>  
we've made new lists and hope that you'll agree <sup>E7</sup> <sup>A</sup> <sup>Am</sup>  
we're good enough to get them all under the tree <sup>E</sup> <sup>B7</sup> <sup>E</sup> <sup>B7</sup>
